"Caring is Sharing"

Problem?
Two-side Marketplace

- Side One: People who have motorhomes that are not using them

- Side Two: People who wish to use a motorhome without having to make the large investment

The Solution

CARE2SHARE

- Motorhome users post when there motorhome is available for rent

- Motorhome seekers search for available listings within their price range

- The solution facilitates the transaction between both parties

Design Considerations

CARE2SHARE

- Easy to navigate & simple to use

- Reflects the industry (imagery)

- Search via location & dates

- Inspired by Airbnb & Camplify
